

Program of Global Collective Practices

Date : June 9, 2016

Dear all Dzogchen Community,

We would like to remind you of the opportunities to participate in our global collective practices. Uniting our strength in this way brings enormous benefits, there is no doubt!

From May 2012, each full moon (when there's no webcast with Rinpoche) we are organising Mandarava Ganapujas dedicated to the health and long life of our Master.

Currently, each month, we are also organising a practice for giving support to the development of [Dzamling Gar](#), which is one of the most important projects of our Master.

Eventually, we want to keep organising Guru Dragphur global chains with the intention of controlling the many negativities which continually arise in our world.

The next planned practices are:

June 14th – Jigme Lingpa Ganapuja global chain 24 hours

June 20th – Mandarava Ganapuja webcast at 19:30h (GMT+3)

July 10th – Wözer Chenma

July 19th – Mandarava Ganapuja (webcast)

August 2nd – Jigme Lingpa Ganapuja

August 6th – Guru Dragphur global chain 24 hours

August 18th – Mandarava Ganapuja (webcast)

We look forward to meeting you in the space and time of the practice!

Long life to our Master !
