

8 September Guru Dragphur 24 Hour Global Chain

Date : August 13, 2019

For a Coherent & Peaceful World

Dear Vajra Family,

On 8th September from 0:00 h. to 24:00 h. GMT+0 the next 24 hour Guru Dragphur practice Global Chain will take place.

What is the reason to organize Guru Dragphur Global Chains? Wherever we look at our planet, there are many manifestations of ignorance. Guru Dragphur has the potentiality to control all negative energies and eliminate all obstacles and at the same time develop clarity. It is then necessary to apply the wisdom that our beloved Master has taught us and expand it in all directions.

The practices allow us to remain in our real condition, therefore, by harmonizing our internal dimension, the external dimension is also harmonised. We are thousands of fortunate disciples, we can unify our capacities, by doing the practice of Guru Dragphur for the benefit of all beings.

REMAINING IN OUR REAL CONDITION, ALL IS POSSIBLE !!!

Please, when you register choose your time of practice in GMT+0. In this link, you can see a map with the time zones of the world: (<http://www.timeanddate.com/worldclock/converter.html>)

Do you want to participate?

Then,

1. Register by filling the following questionnaire: <http://pt.dzogchen.es/event/24-hours-guru-dragphur-practice>

2. Each practitioner – or group – will do a SHORT TUN. In order not to break the chain, it is necessary to start 15 minutes before the established starting time and do dedications AFTER the 1 hour mantra practice.

Another option is to integrate one hour of recitation in your SHORT or MEDIUM GANAPUJA.

Check well your time in order not to break the chain.

3. If you do the practice in a group, after the practice, we kindly ask you to write to globalchain@dzogchen.es informing us the number of participants who take part.

May this practice fill all the space and dissolve all obstacles into emptiness.
