

A Ling Is Born in The Netherlands

Date : October 7, 2014

Dear Vajra family,

We have some wonderful news to share – yesterday, on October 6, 2014, a new Ling was born in Amsterdam the Netherlands. Rinpoche gave us the perfect name Rangdrolling, the Ling of Self Liberation!

Thank you Rinpoche!

We all are happy beyond limitations.

I will share some photos of the place we are renting. It is a small house in the middle of a park, with a pool behind it and a colony of kingfisher birds. The place is called Nemoland, the land of nobody. It is marvellous!

Warm wishes to all from Amsterdam!
