

Died - Ina Schlingemann

Date : November 1, 2018

Dear All,

This is to inform you that last night our dear Vajra Sister, Ina Schlingemann, died at the age of 89.

She was a very generous member of the Dutch Dzogchen Community, she was a devoted follower of our Master and a Santi Maha Sangha student.

She hosted many Vajra Dance retreats in the Mandala Hall at her land, which she built especially for that purpose.

We will surely miss her.

Please think of her during your regular Shitro practices. Thank you.

Kind regards,

Loek Jehee
