

Died - Ugo Leonzio

Date : June 8, 2019

Dear Community.

I am sad to inform you of the passage of Ugo Leonzio on May 2nd, 2019. He was a member of our Community since many years and he was very devoted to Rinpoche. He did not come often to our Ling in Rome but he was close to some of our members. Ugo edited for Einaudi The Tibetan Book of the Dead in 1996 and he was also famous for the book The Magical Flight (Guanda and Einaudi editor). He worked intensively also as a screenwriter for Radio and Theater as well. I hope he will receive some of the light of our practice in his passage if you can dedicate Shitro to him.

Love.

Federica Mastropaolo
