

Khaita Course in Budapest June 2-3, 2018

Date : June 30, 2018

There was a great Khaita course with Monika Walczak in [Budapest](#), Hungary 2-3. June 2018. The participants were lucky, as there were two Khaita instructors present during the course, Monika Walczak and Erika Motylova.

Before dancing the participants sang some Khaita songs.

There was a shiny rainbow in the sky during the party on the first day.

The participants really enjoyed the course.
