

## **Khaita in Venice with Adriana Dal Borgo**

**Date :** December 20, 2016

On Saturday and Sunday, the 17-18 of December, in Venice, we had the pleasure and good fortune to have with us Adriana Dal Borgo, who taught a course on Joyful Dances Khaita.

Venetians and other participants were all very attentive and interested. In fact, the course was very interesting, because in addition to explaining the movements and choreography, Adriana made us understand the profound meaning of the beautiful images contained in the songs, according to the explanations of our Teacher.

Thank you Adriana, for sharing these teachings with us!
