

Making a Mandala of the Elements Painting Course

Date : September 4, 2019

Thank you so much for this wonderful course! I am very grateful to Migmar, Cecilia and Fanni for all their dedication, generosity and support during this great training! It is a very good fortune and blessing to be able to learn from Migmar who shares so much knowledge and creates a very kind, joyful atmosphere.

May all this goodness and blessings of merits come back to him and his assistants infinitely multiplied!

Thank you! Tashi Delek!
