

## March 6th Guru Dragphur - Controlling Negativities

**Date :** February 28, 2020

Dear Vajra Family,

On 6th March from 0:00 h. to 24:00 h. GMT+0 a 24 hour Guru Dragphur practice Global Chain will take place.

When we are in the state, we are in Kunye Gyalpo – the supreme source – state in which there is no mandala to create, a state in which wisdom manifests without obstacles and intrinsic perfection is beyond fear and hope.

Let us unite in that state to make a powerful global chain of Guru Dragphur so that negativities in the form of viruses, natural disasters, wars and other manifestations of ignorance dissolve in dharmadatu.

**REMAINING IN OUR REAL CONDITION, ALL IS POSSIBLE !!!**

Please, when you register choose your time of practice in GMT+0. In this link, you can see a map with the time zones of the world:

Do you want to participate?

Then,

1. Register by filling the following questionnaire,

<http://pt.dzogchen.es/event/24-hours-guru-dragphur-practice>

2. Each practitioner – or group – will do a SHORT TUN. In order not to break the chain, it is necessary to start 15 minutes before the established starting time and do dedications AFTER the 1hour mantra practice.

Another option is to integrate one hour of recitation in your SHORT or MEDIUM GANAPUJA. Check well your time in order not to break the chain.

3. If you do the practice in a group, after the practice, we kindly ask you to write to [globalchain@dzogchen.es](mailto:globalchain@dzogchen.es) informing us the number of participants who take part.

May this practice fill all the space and dissolve all obstacles into emptiness.

OM AH HUM
