

Join Our Practice in the New Dzamling Gar Gönpa

Date : October 20, 2018

Dear Vajra Brothers and Sisters,

This December the first phase of the construction of the [Dzamling Gar](#) Gönpa will be completed. We were all looking forward to celebrating this moment with our Master during His birthday. Sadly, this can not happen.

However, the building of the Dzamling Gar Gönpa will be ready and you are warmly welcomed to come. It will be an important moment for us, students, to gather and practice together in this new space in Dzamling Gar that was created with so much work of Rinpoche and collaboration of the whole Community.

We will not receive any official guests and will postpone the [public opening](#). Instead, we will meet and try to find ourselves in the state of the Master. The detailed program of Dzamling Gar for December will be announced soon. You are most welcome to come to Dzamling Gar and join our practice.

With warm greetings,
Dzamling Gar Gakyil
