

## **Santi Maha Sangha Base Course in Kundusling Barcelona**

**Date :** February 1, 2018

**With Jakob Winkler. 26-28 January, 2018**

Last weekend, 26-28 January, we had the pleasure to receive Jakob Winkler in [Kundusling Barcelona](#) for the [Santi Maha Sangha](#) Base course. We started on Thursday 25 with an explanation of the Short Ganapuja and we did the practice together because it was Padmasambhava day. On Friday we started with the most difficult chapters of the book, making clear the main points in a simplified way. Everything is so easy with Jakob! Thank you for coming!

*With love from Kundusling*
