

Special Offers on Dzamling Gar Accommodation

Date : April 4, 2018

Dear practitioners all over the world,

With great pleasure we invite you to enjoy the happiness of being in Dzamling Gar together!

Staying at Dzamling Gar, the global base of the International Dzogchen Community in Tenerife, is a precious opportunity created by our dear Master Chögyal Namkhai Norbu for Community members. It is a wonderful chance to participate in various activities conducted here, arrange your personal retreats, attend regular practices and simply have a joyful vacation while sharing these beautiful moments with the Vajra family. It is also an opportunity for everyone to contribute to the maintenance and development of the whole Dzamling Gar project.

The territory of the Gar is located near the ocean and offers various spaces for dances, yoga and other practices, a beautiful garden, a children's playground, a swimming pool, a cafeteria and other facilities that will make your stay unforgettable.

We are very fortunate to have a few more precious months of Rinpoche staying in Dzamling Gar

this season. There are also more retreats and courses to come, including a Yantra Yoga course on the 1st and 2nd groups of Yantras with Maxim Leshchenko (April 25-29), a supervision course of The Vajra Dance that Benefits Beings with Adriana dal Borgo (May 4-6), Dream Yoga with Michael Katz (beginning of June), and more.

It is truly a special opportunity to stay in our global home and enjoy its beautiful fruits together.
