

Studying Khaita Songs at Dzamling Gar

Date : December 16, 2018

We are very grateful to Lobsang Zatul, our Khaita songs translator and a Tibetan language teacher, for a wonderful session on Khaita songs we just had here in Dzamlingar Gar on December 15, 2018. Everyone really enjoyed the session! We are planning to organize more similar events in future to study Khaita songs, Tibetan language and culture. *Photos by Edith Casadei.*
