A series of 6, **2-hours online meetings every two weeks** from 5-7pm (Italian time) in which we will focus on some parts of the Tibetan text of “**The Precious Vase**” by Chögyal Namkhai Norbu. The ‘Precious Vase’ is an ideal text for the study of Tibetan language. It features numerous quotes from a variety of classical texts linked by passages in modern literary Tibetan. The topics discussed are ideal to form an important basic vocabulary of Buddhist terminology. All lectures will be audio and video recorded and made available to all students!
