

## Uniting Our Strength And Capacity

Date : August 30, 2019

### **Dear World Wide Dzogchen Community,**

Dzamling Gar needs your support!

First of all, we would like to thank everyone for your recent participation: both in the Gönpa Fundraising Marathon (with Rinpoche's Car) and our dedicated events in Merigar West this August. We would like to extend our deepest gratitude to Atiyoga Foundation, Merigar West and IDC for their support.

However, while the majority of the works in Dzamling Gar are completed, we are still missing substantial funds to cover payments related to Gönpa and legalization of the entire Gar, to be paid till the end of this year, including important payment deadlines at the end of September and at the end of October. If we fail to make payments within the deadlines, we will have to face bank penalties; we are trying to avoid such additional costs.

In the spirit of collaboration that is the true nature of the Global Gar, we would like to introduce you to a new way of support: your donation to Dzamling Gar Gönpa can now also help one of the Gars

around the world.

Discover more here <https://www.dzaminggar.net/en/support/gonpa-construction>.

*“The Global Gar should be a base for how our Community can evolve and be stable in the future. How to better open to the world and become more active and responsible in maintaining the Teachings and the Community alive in the future. ...*

*A place, where all the Gars of the Community can have a base, the same for SSI and Asia, all should be able to work together and enrich each other with different experiences and knowledge, we can develop different projects that can be realized together and become an example that can then be applied in different places by different people but with the same knowledge and principle of the teaching, simply adapted to the different circumstances. ... This is something very important for the future and future generations, not only for the Community but for the entire world.”*

Chögyal Namkhai Norbu

We look forward to welcoming you to our new, spacious and comfortable Gönpa for our rich [programme](#) starting this autumn.

Thank you very much for your attention and kind support.

Best regards,

Dzaming Gar Gakyil
