Global Guruyoga Practice with the Vajra Dances

Total Lunar Eclipse

The longest full Lunar Eclipse of the century

8:00 – 11:00 – 14:00 – 17:00 – 20:00 – 23:00

On this day we practice together, individually or collectively, with a clear alignment and intention, dedicating to all beings in the certainty that our practice makes a difference in the field of consciousness and may facilitate collective evolution.

Applying practices of purification and collectively being in the state of Atiyoga, for example by integrating with the [Vajra Dances](#), is the supreme practice for the long life for our Master and all enlightened Teachers present right now.

Our collective practices strengthen this field of consciousness.

On this occasions we wear the Vajra Dance costume, integrating our pure intention in the complete symbol of the interdependence in-between the inner, our Vajra nature and outer dimension, the world mandala.

This spreadsheet is intended to coordinate and facilitate uninterrupted practice around the globe throughout the day of the eclipse, bridging multiple time zones and locations on the planet. It is a visual tool to help us connect by practicing together, regardless of distance.
