The Vajra Dance that Benefits Beings

Vajra Dance in Ecuador with Issa Cox

From October 19th – 28th, 2018, we shared many Vajra Dance open activities in Guayaquil, Ecuador, for the first time. We started with a free and open demonstration class in the ESPOL (Escuela Superior Politécnica del Litoral) on October 19th, then we had two Vajra Dance courses of the Vajra Dance that Benefit Beings (the 20th and 21st, and the 27th and 28th), and a course of the Vajra Dance of the Three Vajras that we shared with the Drikung Kagyu Sangha. There were very beautiful days of dancing and sharing with new

friends.
