Dance of the Twelve A with Nadia Poureau

January 16, 2019

Yesterday we danced the 12 A's on the mandala. The 12 A's correspond to the Wheel of Life, to the 12 links of conditioned co-production of my rebirth. The Wheel of Life becomes the Mandala, infinite space.

The 12 A's is song, voice, so that I don't forget my primordial state – I sing it at the break of dawn. My body's movements, to remind me that everything appears and disappears.

The Wheel of life vanishes to give space ...I wish you to discover that dance.

Thanks to Nadia, to Pamos and Pawos.
