

Vajra Dance Retreat in Kunsangar North

Date : August 12, 2020

The retreat on the Vajra Dance that Benefits Beings with instructor Manidari Dobdonova has come to end in Kunsangar North. Someone learned the dance from the beginning, others refreshed their knowledge and everybody had nice experiences during the process.

We thank our instructor, coordinator, participants and all who helped to organize this retreat.

We are grateful to our Master Chogyal Namkhai Norbu for all knowledge, transmitted practices and that we have such a beautiful place – the Gar where we have an opportunity to practice.

With love,
Kunsangar North Gakyil and Gekö
