

Worldwide Guruyoga Transmission Announcement July 21-22, 2018

Date : July 21, 2018

Dear Vajra Family,

The situation of Rinpoche's health is still not stable and unfortunately after His weekly medical tests this Friday (20th of July) the doctors have decided He needs to spend next days in the clinic. Therefore He will not provide the upcoming [Worldwide Guruyoga Transmission](#).

Practitioners are invited to join the Guruyoga practice instead.

We will join all together at the same time and in the same way as the original practice for receiving the Transmission with Invocation to Guru Padmasambhava – only without the part of direct introduction which could be done only by the Master.

We will try to webcast this practice from one of the Gars, but if that doesn't work – you can join by doing this practice at the specified time by yourself.

Sunday July 22, 2018 at 4 AM (Timezone of Tenerife).

That way we can connect together with our True State and the State of our Master. **New people interested in receiving the Guruyoga Transmission need to be patient and wait for the next occasion.**

Thank you for your collaboration and understanding.

Long Life to Master!
