Kunsangar North, Russia

2020 Program

We are very happy to add 3 more people to our 5 people Gakyil at Kunsangar North and also many helpers in all sub-sectors. Now we have almost full 8 person Gakyil and many helpers.

We also did an open contest for a professional technical engineer (very important for the functioning of the Gar) and found a perfect person from the Community, who will start working at the end of December.

January 2 – 8
