2020 Program

Temporary Suspension of Activities and Visits

Out of a strong sense of responsibility, and aligning with the guidelines of the Italian government in the interest of preventing the contagious spreading of COVID-19, **Merigar is suspending activities and visits from March 5, 2020, until a date to be communicated.**

On March 4, 2020, Italy's prime minister issued a decree that in its first article ("Measures to combat and contain the spreading of the COVID-19 virus throughout the national territory") has prescribed the closure of schools of all levels as well as universities and **has suspended *"demonstrations, events, and performances of any nature, including cinematographic and theatrical events, whether public or private, taking place in any location and involving gatherings of people where the minimum safety distance between persons of at least one meter cannot be ensured."***
