

Australia Fires Message from the Namgyalgar Secretary

Date : January 13, 2020

Dear Gopal Vajra Family,

I am now back online and available to answer emails.

Thank you to everyone who did practice during the recent fire crisis impacting many parts of Australia including the NSW South Coast where myself and several other Dzogchen practitioners live (where Namgyalgar South once was). Thankfully we are all safe and none of us have lost any property unlike others we know who did, including a vajra brother in Eastern Victoria who lost his entire property.

Also as you may know there has been a great loss of wildlife in Australia at this time which is very sad.

I am most grateful to all of you and to our precious Master for his priceless Teachings and Transmission which has been providing immense support for me during this stressful time of fires, a great 'hedewa' that is for sure!

Fires are continuing to burn in Australia, including some areas of the NSW south coast, and will not be extinguished until we receive substantial rain. Therefore your continuing practice to bring

protection and rain will be most appreciated.

MAY ALL BEINGS BE SAFE and FREE FROM HARM !!

best wishes to all

Vicki Forscutt
