

Dance of the Song of the Vajra at Kunsangar North

Date : July 27, 2021

Dear friends,

A wonderful retreat on Dance of the Song of the Vajra with Prima Mai via teleconference has just concluded at Kunsangar North, Russia.

Gars and Lings from all over the world participated in this event: Russia, USA, Australia, Czech Republic, Poland and China. Rinpoche's students danced simultaneously on the mandalas, integrating in the single state of bliss. We thank all the instructors, coordinators, organisers, technical support and all the participants!
