

Died - Virginia Aloia

Date : September 24, 2021

We are very sorry to inform you that on the night of September 23, around 2am, our dear Vajra Sister Virginia Aloia left us after many weeks of ill health. Virginia was a member of Merigar West in Tuscany but also a familiar face at the Global Gar in Tenerife where she spent time with her family. She is survived by her companion, Claudio Donadio, her daughter Alessandra Policreti and her grand-daughter, Rosa.

Practitioners at Merigar West did a Xitro practice the same evening as her passing and will do another Xitro practice for her in the evening of Saturday 25 September.
