

New Series of Sangkhangs

Date : December 6, 2019

Dear friends of the team of DYNAMIC SPACE OF ELEMENTS and of the SHANG SHUNG INSTITUTE AUSTRIA,

We are happy to present the second series of SANGKHANGS, as the first series was quickly sold out.

The team of DYNAMIC SPACE OF ELEMENTS has just finished the production. Sangkhangs are perfect for practicing sang right in your Ling or in your house

About the sangkhangs

Each sangkhang is 15 cm long, 15 cm wide and 23 cm high.

The sangkhangs are hand-made of ceramic and were manufactured at Merigar. [See how the white clay turns into a Sangkhang.](#)

Please see a short video, in which [Migmar explains how to use the sangkhang and its symbolic meaning](#)

You can also use the [sangkhang as an incense burner](#)

Style, design, and price

The sangkhangs are available in two styles: white, colored.

The white ones can have different shapes of windows, costs for each: 75 Euro.

The colored ones all look different and cost up from 108 Euro.

If you want a colored one, please get in touch with Fanni Gulasci in order to clarify and decide which color and form you would like to get.

The final price depends on the amount of hours Fanni has to work on your specific sangkhang.

Carvings can be also added up from 10 Euro.

It is also possible to get “second quality” sangkhangs. These sangkhangs are totally functional, but have some small defects in the ceramic. You can get them with a discount up to 60%.

Get some more information on that from Gulácsi Fanni: gulacsi.fanni@gmail.com.
