

## News from Ka Ter Translation Project

Date : October 8, 2019

Good day for everybody!

I am quite sure that you have noticed the new publications of Shang Shung Publications:

**The Tantric Mystics of Ancient India: The Miraculous Deeds of the Eighty-Four Mahasiddhas**  
Forward, introduction and notes by Elio Guarisco

**Chögyal Namkhai Norbu**The Upadesha of the King of Space, Longsal Commentaries Volume Four translated by Adriano Clemente

**Chögyal Namkhai Norbu: Longsal Teachings, Volume 10** translated by Adriano Clemente

**Chögyal Namkhai Norbu: Khorwa Yedal, Teaching and Practice** translated by Adriano Clemente

For a more detailed description and for purchasing these books please see: <https://shop.shangshungfoundation.com/en/36-books>

All of these books are all based on the translation of our main translators of the Ka-Ter Translation Project, Adriano Clemente and Elio Guarisco.

Without their skill of being able to translate these texts from Tibetan into English, their dedication to our Master and the teachings, and their admirable diligence, and also without the skills of our qualified editors, we would not be able to offer you new publications continuously.

## A brief update of the work of our translators

By the end of October, Adriano Clemente will deliver two books to the editors:

– *The Namkha for Harmonizing the Energy of the Elements*

– *The Necklace of Jewels on Tibetan Culture*

From November on Adriano Clemente will work on the final revision of the *Tregchod* book.

Elio Guarisco is in process of finishing the Book on the three retreats on *Changchub Dorje's Tregcho Teaching from the Yangthig Nagpo Terma*

After having finished this work Elio will start with the revision of the translation of the root tantra of the *Drathalgyur Tantra* that Jim Valby did.
