

Passages - Birth of Veda Kai

Date : October 23, 2014

Dear Vajra Family,

With great Joy we would like to introduce our son VEDA KAI MELLA-REISS, born on October 13, 2014 in Conway, Massachusetts, USA. He was born at our home, in a beautiful and gentle water birth, surrounded by family and close practitioner friends. The astrological constellation of the day was 'phel' – progress, riches and positive childbirth! He is a peaceful and alert baby, smiles a lot and giggles in his sleep. We spend many hours watching him in awe and feeling the bliss of newly found love.

With immense Gratitude,

Laila, Joey, Goma Devi and Ati Norbu

With Love we welcome

VEDA KAI MELLA-REISS
