Date : February 26, 2022

Dear Vajra Family,

Today, Saturday February 26, 2022 starting at 17:00h (GMT+0 Tenerife time) and ending Monday February 28, 2022 at 05:00h (GMT+0 Tenerife time). We ask that you please join our worldwide community for a 36 hour Ngangkong Global Chain for peace in the Ukraine, Russia and throughout the world.

This Global Chain will span 36 hours to address this critical moment. We ask that you all try to register so that practice is as continuous and seamless as possible over the many hours.

Let us unite in practice for the benefit of all!

Please, when you register choose your time of practice in GMT+0. In this link, you can see a map with the time zones of the world: <http://www.timeanddate.com/worldclock/converter.html>

Do you want to participate?

Then,

1. Register by filling the following questionnaire: <http://pt.dzogchen.es/event/36-hours-ngangkong-practice>
2. Each practitioner or group will do previously a GANAPUJA (any version) or even SHORT TUN until transformation. You need to be transformed in Dakini Simhamukha before to start the Ngangkong practice. In order not to break the chain, it is necessary to start with enough antelation before the established starting time and do dedications AFTER the 1hour Ngangkong practice.
3. If you do the practice in a group, after the practice, we kindly ask you to write to globalchain@dzogchen.es informing us of the number of participants who take part.

May this practice fill all the space and dissolve all obstacles into emptiness.
