

Thank you from The Mirror

Date : June 11, 2022

Thank you!

The Mirror editorial team and the International Gakyil would like to give sincere thanks to our Vajra family for their recent donations to The Mirror in response to our fundraising appeal.

Your generosity will help us to continue bringing news and articles about the Dzogchen Community to our readers, both on our websites and in our quarterly pdf magazine, as best as we can.

Thanks to your generous support we have already raised € 5,800 covering 22% of our expenses for 2022 which include editorial staff, layout, printing, and website maintenance.

We kindly ask you to continue to join forces with us and participate in The Mirror fundraiser 2022 according to your circumstances and help us cover the greater part of our yearly expenses.

Little drops of water make an ocean!

With best wishes,

Liz, Naomi, Anastasia and Thomas
The Mirror Editorial Team
